# Scripting in Python 02. Guide

---

Authors: Sergi García, Alfredo Oltra

Updated October 2022

## SCRIPTING IN PYTHON - PART 02 - GUIDE

### 1. WHAT TO DO?

In this unit, the document of reference will be “**A byte of Python – Part 2**”. Read it carefully, test every example and ask questions in our forum :)

Before reading it, we recommend you to read this guide completely.

### 2. I HAVE FINISHED READING “A BYTE OF PYTHON – PART 2”. WHAT SHOULD I DO NEXT?

We have provided several non-assessable activities. They are available in “**Scripting in Python - Part 02 - Activities 01**” file. You should try to solve them and ask doubts in forums.

### 3. DO YOU KNOW OTHER INTERESTING LINKS?

There are several sources of information that could be useful in order to improve your Python skills that we are learning in this part. Some of them are:

- [https://www.w3schools.com/python/python\\_conditions.asp](https://www.w3schools.com/python/python_conditions.asp)
- [https://www.snakify.org/es/lessons/if\\_then\\_else\\_conditions/](https://www.snakify.org/es/lessons/if_then_else_conditions/)
