# Scripting in Python 05. Guide

---

Authors: Sergi García, Alfredo Oltra

Updated January 2023

## SCRIPTING IN PYTHON - PART 05 - GUIDE

### 1. WHAT TO DO?

In this unit, we are going to show you use Functions in Python.

You should read “A bite of Python – Part 4” in order to see examples related to use of functions.

### 2. I HAVE FINISHED READING “A BYTE OF PYTHON – PART 3”. WHAT SHOULD I DO NEXT?

We have provided several non-assessable activities. They are available in “**Scripting in Python - Part 04 - Activities 01**” file. You should try to solve them and ask doubts in forums.

### 3. INFORMATION

You can find more information and example in these links:

- [https://www.w3schools.com/python/python\\_functions.asp](https://www.w3schools.com/python/python_functions.asp)
- [https://www.tutorialspoint.com/python3/python\\_functions.htm](https://www.tutorialspoint.com/python3/python_functions.htm)
- [https://www.python-course.eu/python3\\_functions.php](https://www.python-course.eu/python3_functions.php)
