Scripting in Python - Part 05 - Guide

1. What to do?

In this unit, we are going to show you how to use Functions in Python.

You should read "A bite of Python – Part 4" in order to see examples related to how to use of functions.

2. I have finished reading "A byte of Python – Part 3". What should I do next?

We have provided several non-assessable activities. They are available in "**Scripting in Python - Part 04 - Activities 01**" file. You should try to solve them and ask doubts in forums.

3. Information

You can find more information and example in these links:

- https://www.w3schools.com/python/python_functions.asp
- https://www.tutorialspoint.com/python3/python_functions.htm
- https://www.python-course.eu/python3_functions.php
